

“Painting Colorful Skies in Pastel” with Renee Leopardi

Learn how to paint dramatic skies! Having the Atlantic Ocean at our doorstep allows us the privilege of seeing some amazingly colorful skies. Whether we are painting a softly subtle sky or a storm filled sky, you'll learn how to carefully layer your pastels to create luminosity and the desired texture and softness in the clouds. Students will work from their own favorite photographs. All levels welcome.

Thursdays January 10th – January 31st

10:00am – 1:00pm

\$120 for 4 weeks or \$35 per class
