Artist Membership Information and Application

A. Information

What are the types of Artist memberships and how are they selected?:

Associate Artist Membership: Highly competitive membership awarded to an **established** artist in any medium whose original work exemplifies the highest caliber of artistic standards, who has been exhibiting in shows or galleries, and/or teaches in his or her respective medium.

Affiliated Artist Membership: Competitive membership awarded to an **emerging** artist whose goal is to keep improving and whose work demonstrates growth. A goal of the Affiliate Artist member may be to become an Associate Artist Member. The RRCA strongly believes in representing the serious emerging artist and will assist in his or her development.

Jury Process: A committee will review the art and application bi-annually, in January and July. All decisions are final-- *however, the artist may resubmit new works after six months with a new application. If you apply for an Associate Artist membership and are not selected as such, you will automatically be considered for selection as an Affiliated Artist.*
